

## 1. Overview

Welcome to the Folio Institutional Fixed Income and Alternative Assets Referral Program. Because Folio Institutional does not custody certain assets, we refer this business to The Kingdom Trust Company (“Kingdom”), which offers you the ability to provide fixed income and alternative investments to your clients. Through Kingdom, you and your clients will have access to thousands of fixed income products, including U.S. Government and Agency Securities, Corporate and Municipal Bonds, as well as the ability to request that Kingdom custody alternative assets your clients may own. Through this referral arrangement, Kingdom custodies all of these assets. Folio Institutional will display the total assets held in your client's Kingdom account on your Accounts page at [www.folioinstitutional.com](http://www.folioinstitutional.com). Your client's fixed income and alternative asset holdings will appear as a separate statement in their Statements & Tax Records, as Assets Held Away held at Kingdom.

## 2. Establishing Accounts

Complete and send us the attached Kingdom Application forms for each account that you would like to setup. Kingdom supports each of the account types that are available at Folio Institutional. At this time, there is no electronic application process available to establish a Kingdom account.

Each Kingdom account will have a corresponding Folio Institutional account where your client's equity investments are held and through which all funds related to Kingdom accounts will sweep periodically, requiring the client details and registration to be identical between these two accounts.

We will deliver the completed forms to Kingdom Trust, which will assign a Unique Kingdom Trust account number, and contact you via email, once the account has been setup. This generally takes 2 to 3 business days after receipt of your completed forms by Folio Institutional.

## 3. Transferring Existing Assets

If your client has fixed income or alternative assets as well as equity investments held at another custodian, request a partial transfer and list only the fixed income and alternative assets to be transferred on the attached Kingdom Account Transfer form; a Full Transfer request in this circumstance will fail. If your client ONLY has fixed income or alternative asset positions in an account at another custodian, then you can request a Full Transfer to Kingdom.

List only the fixed income or alternative asset holdings to transfer on the attached Kingdom Account Transfer form. Equities will need to be transferred separately to the Folio Institutional client account and that transfer can be initiated online at [www.folioinstitutional.com](http://www.folioinstitutional.com).

## 4. Viewing Balances

Folio Institutional will display your client's aggregate balances held at Kingdom on the Folio Institutional and Folio Client websites, separately marked to clearly display who holds the assets.

The security position values shown on these websites, and any amounts derived from these values, are based on the last price or value provided to us by our data source for the security, which may include the securities issuer or an unaffiliated third party. This last price or value will generally be accurate as of the close of business on the preceding business day or, depending on the fixed income asset, as provided to us

The quantity and values of assets shown as "Assets Held-Away" on our website or on a third party account statement are presented on our website as a courtesy and are only for informational purposes. If an aggregate value is shown, the value of the assets held-away has been added to the value of your holdings with us for convenience. We are not the custodian for and do not record on our books and records assets held-away. The quantity or value and the asset descriptions shown have been furnished by an unaffiliated third party. We do not ensure the accuracy or timeliness of any of this information and do not verify or review it. Assets held-away may not be covered by SIPC or, in the case of cash, FDIC insurance. An unpriced security denotes that no value for the position is currently available or was provided to us.

You will also be able to see your client's fixed income and alternative asset balances and statements on the Kingdom Trust website. To get access to the Kingdom website, please contact Kingdom at 1-888-753-6972.

## 5. Cash Sweep

When setting up your clients' Kingdom accounts, we require that you fill out the attached ACH and client authorization forms. This will enable automatic transfers of money between your corresponding Folio Institutional and Kingdom accounts that will be used to cover buy and sell transactions at Kingdom, to return to your Folio Institutional account interest, principal and proceeds credits from fixed income and alternative asset holdings, and to fund fee payment for fees charged by Kingdom.

---

## 6. Trading Fixed Income Investments

## Authorization for Pre-Arranged Debits and Credits

Automated Clearing House (“ACH”) transfers are an electronic method to move funds between your Kingdom Trust account and your Folio Institutional account. This agreement authorizes Kingdom Trust to make payments or withdrawals to/from your Kingdom Trust Account and your separate Folio Institutional account as needed, such as to transfer cash generated by selling securities from your Kingdom Trust account to the Folio Institutional account, transfer funds from the Folio Institutional account for debit balances in your Kingdom Trust account created by purchasing securities there and for Kingdom Trust service and other applicable fees.

### ACH Authorization

- (i) to deposit all cash for which the Account Holder has not already provided investment instructions into FDIC-insured pooled custodial deposit account or accounts with one or more third party financial organizations selected by Kingdom Trust at Kingdom's sole discretion and without any further approval from the Account Holder provided that any and all such accounts qualify as common investment funds under IRC Section 408(a)(5), such deposit accounts may include without limitation Negotiable Order of Withdrawal Accounts, Checking Accounts, Savings Accounts, Money Market Accounts, Certificates of Deposit or similar FDIC-insured bank accounts,

## SECTION 6 - Age 70 ½ Reminder

I understand that if this transfer occurs during or after the calendar year during which I attain the age of 70 ½, the required minimum amount determined under this IRA must still be distributed. I further understand that the current trustee/custodian is not responsible for making this distribution prior to the transfer. I accept full responsibility for satisfying the required minimum distribution applicable to this IRA by withdrawing sufficient amounts from another IRA prior to the deadline for receiving minimum distributions for the calendar year of the transfer. If this transfer leaves the transferor IRA in one year but does not reach the transferee IRA until the following year, I understand that this will be an "outstanding transfer" as of December 31. The new IRA must "deem" that the transfer was received as of the prior December 31 for determining any required minimum distribution from the transferee IRA for the year that the transfer was received. I will inform the transferee IRA trustee/custodian of any such outstanding transfer.

## SECTION 7 - General Provisions & Signatures

- If I have chosen a Depository above, I acknowledge that I, as the Account Holder, am also solely responsible for choosing the Depository in which the metals purchased are stored. I also warrant that I have performed the due diligence I deemed necessary on the Depository I have chosen. I also warrant that neither Kingdom Trust nor any of its employees or agents has made any representations or recommendations to me concerning the Depository I have chosen other than to advise me to perform my due diligence on any Depository I might consider.
- I acknowledge that Kingdom Trust is acting solely as a passive custodian and represent that it provided no tax, legal or investment advice.
- I have reviewed and hereby consent to the Kingdom Trust Fee Schedule, which outlines all fees associated with the purchase, sale, packing, shipping and storage of precious metals (if applicable).
- If transferring metals, I understand that all metals I direct to be transferred to my IRA through Kingdom Trust will be stored at the Depository I have selected in Section 5 above and hereby agree to said storage. I agree that the Depository I selected shall be solely responsible for the storage and safekeeping of all precious metals in my IRA.
- I understand that commingling regular IRA contributions with previously rolled assets from an employer plan may preclude me from subsequently rolling over funds from my rollover "conduit" IRA into another qualified plan or 403(b) plan. With such knowledge, I authorize and direct the custodian/trustee to place these transferred IRA contribution assets in my rollover "conduit" IRA or visa versa. I acknowledge that certain transfers may be required to be reported to the IRS.
- I hereby indemnify and hold Kingdom Trust harmless from any and all damages arising from or in connection with this Account Transfer.
